

## MobileAlert GPS™ a.k.a. "LovedOneLocator" – Wearable Mobile Safety and Tracking Device

MobileAlert GPS™ is the latest addition to Mobile Health Technologies' successful MobileAlert™ family, that offers an even higher new level of safety with its built-in GPS receiver and active GPS antenna system.

MobileAlert GPS™ offers all of the proven benefits and features of MobileAlert™ with the addition of accurate location tracking and immediate location-based assistance.

With its Geofencing feature, it provides immediate alert when the wearer wanders outside a specified zone (e.g. neighborhood or school area).
